Please NOTE:

# IAPMO Meeting Thursday, August 26, 2010

## Solar Heating Hybrid Systems

**Ike Gatlin**, Vice President, General Manager, Elmco Mechanical will talk about solar heating hybrid systems for domestic water and home

heating applications. He will start with a few minutes about solar basics, open verses closed systems, vacuum tube and controls.

**Mr. Gatlin** will give the chapter some layout and design criteria for these innovative and green systems. Ike will also cover on-line selection software to assist during the design phase.

**Ike has 24 years** of experience in the water heating and hydronics industry. Ike had careers with three water heater and boiler manufacturers as well as a product manager for Lochinvar developing new products and industry training.

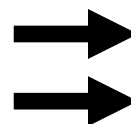

**Kevin Camp**, Southwest Gas will walk the chapter through the Southwest Gas residential rebates for qualifying high-efficiency solar thermal water heaters and solar thermal space heating systems installed in conjunction with natural gas water heaters and/or natural gas furnaces.

**The lunch has been increased to \$20.00**, non-members, company employees and guests are always invited, so bring a friend. Just remember to RSVP to Bill Laub by Tuesday, **August 24, 2010**. If you RSVP and get on Bill's list you get one free raffle ticket.

### County HVAC Card "Soft" Enforcement Begins in 36 Days

The HVAC card will be required on job sites. Why not take the **IAPMO chapter** refresher class on Saturday August 28, 2010 to help you with passing your card test on the first time.

*Beginning with this month's meeting your lunches will cost \$20.00.*

**Non-Members, Guests Invited**
