IAPMO Meeting – Thursday, March 25, 2010

Metlund® Hot Water D'MAND® System

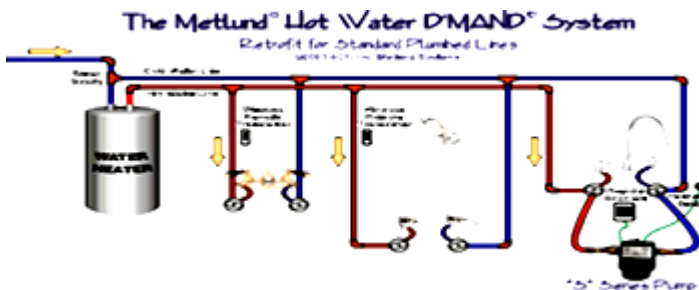

Tom Jones, Southwest Sales, and IAPMO Chapter Treasurer will be our presenter for this months meeting.

Mr. Jones will show that at the push of a button, the Metlund® Hot Water D'MAND® System circulates the ambient temperature water in the hot water **back to the water heater.**

This feature will allow the customers water to heat up to 80% faster than just letting the water run down the drain—the usual scenario.

The Metlund D'MAND System moves the water so rapidly, that hot water arrives at the fixtures before the heat is lost through the pipe.

Come to this month's meeting and learn about this water saving and energy saving device.

The lunch is \$15.00, **non-members, company employees and guests are always invited, so bring a friend.** Just remember to RSVP to Bill Laub by Tuesday, **March 23, 2010.** If you RSVP and get on Bill's list you get one free raffle ticket.

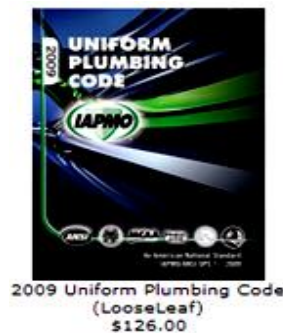

Dues are Due!

Thirty-one members have paid their dues (up five from last month). Have you paid your dues? Dues are the life blood of our chapter. \$35.00 is the cost of our dues for one year. Why not pay at the meeting?
