Mr. Krahenbuhl talk will include changes to materials, hot water, grease interceptors, and condensate control.

The lunch is \$20.00, non-members, company employees, guests are always invited, so bring a friend. Please RSVP to Bill Laub by Tuesday, April 26, 2011. If you RSVP and get on Bill's list you get one free raffle ticket.

National IAPMO Membership Campaign!

Chapter slips one more place to 5th place nationally (4th place last month) for signing up local members in National IAPMO. We signed up one new person last

month to bring our total to 13 new national members. We need you to be a national member. We need eleven members to sign up to take first place – nationally! Help us by clicking here [IAPMO National Membership](#).

If you are not a national IAPMO member, you are missing a lot of important code information, new product standards, and safety and health programs. Campaign ends August 31, 2011.

Dues are Due!

Thirty seven members have paid their dues (up nine from last month). Dues are the life blood of our chapter. \$35.00 is the cost of our dues for one year if you belong to National IAPMO. If you do not want to join National IAPMO our dues are \$40.
